WORK SMART - GO MAGNET

A SIMPLE AND INGENIOUS SOLUTION

Think of all the professionals and handymen, standing on ladders, working overhead or crouched, desperately in need of a third hand.

Think you could provide them with this simple and ingenious solution.

Surprise your customers with this novelty and enjoy the potential of a product that can be useful to everyone:
just as the measure-tape.

WORK SMART - GO MAGNET

HIGH PROMOTIONAL EFFECT

The unique functionality of this product and the NOVELTY-effect will certainly draw attention.

Screwmagnet is complementary with different product-lines and can be used for various targetgroups: with HANDTOOLS, FASTENERS, DRILLS and BITS, as well for the PROFESSIONAL and DIY market.

Use it to boost products, for purchase offers and make smart product combinations to stimulate sales. You can even customize it with your company-logo to build customer-loyalty.
