A SIMPLE AND INGENIOUS SOLUTION

Think of all the professionals and handymen, standing on ladders, working overhead or crouched, desperately in need of a third hand.

Think you could provide them with this simple and ingenious solution with your brand on it: they would wear it proudly.

Because they like to show that they “work smart”.
And they like to show their favorite brand: **Your Brand**.

HIGH PROMOTIONAL EFFECT

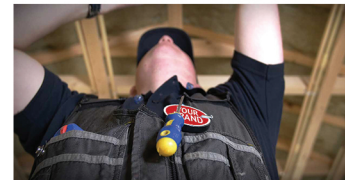

The unique functionality of this product and the NOVELTY-effect will certainly draw attention.

Screwmagnet is complementary with different product-lines and can be used for various targetgroups: with HANDTOOLS, FASTENERS, DRILLS and BITS, as well for the PROFESSIONAL and DIY market.

Use it to boost your products, for purchase offers and make smart product combinations to stimulate sales.
